DEDICATION

THE PRIDE OF THE TEXAS HILL COUNTRY

A MIGHTY FORTRESS

Some wonder how we've stayed so strong
And never cared to part.
It's because we've lived by two small words
Kept always in our hearts.
Two words to take with us
No matter where we're bound,
One word is just UNITED
The other simply PROUD.
He worked so hard and never stopped
While we held our heads up high.
We knew his efforts could not be topped
By anyone with nerve to try.
When number ten was accomplished,
He said it was us who won.
But we knew from the very beginning
That without him it could not have been done.
So now that it's all over
And we'll move on another year,
The others leave with gladness,
While the Seniors leave with a tear.
Mr. Rhodes, we want to thank you
For all that you have done
And remind you sincerely one more time
That it's because of YOU we won.

—Carol Lundeen

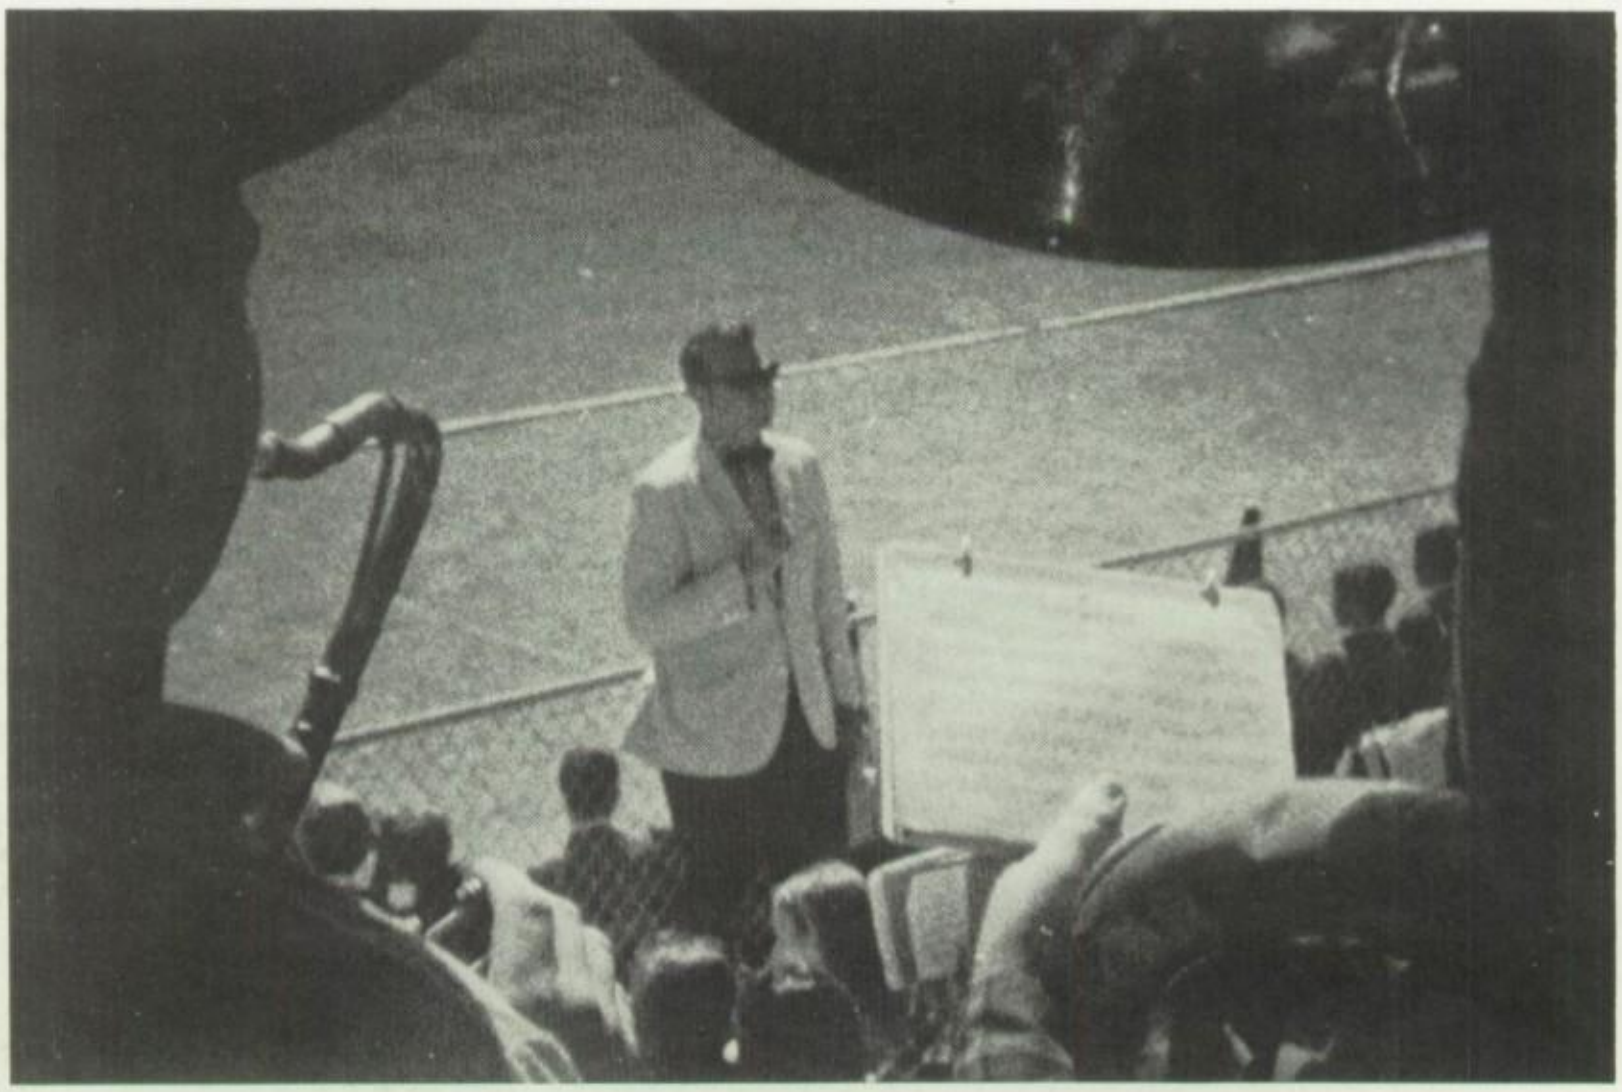
BAND

TEN YEARS OF SWEEPSTAKES

Ten years ago an enthusiastic young band director, Tom Rhodes, came to Fredericksburg. Starting with a meager 45 band students, Mr. Rhodes provided the leadership and inspiration that has made our band "The Pride of the Texas Hill Country." Now, after a phenomenal decade, the 150 member band is on the threshold of a new decade. If history is any indication, the 1970's should bring new awards and honors to a well-deserving organization and director.



Band Council: Alfred Klaerner, President; Dorman Schmidt, Vice-President; Carol Lundeen, Secretary; Vicki Reichenau, Treasurer; Terry Langehennig, Senior Representative, Weldon Itz, Junior Representative; Carey Weber, Sophomore Representative; Gary Nebgen, Freshman Representative; Cristol Nixon, Head Majorette; Ricky Boos, Drum Major; Richard Kilman, Assistant Drum Major.

RICKY BOOS, Drum Major

"Being a part of the FHS Band gives me a special feeling, which is very difficult to express in words. As a member of the Band, I gain the wealth of social experiences and obtain a place where I have emotional and spiritual expression. The Band provides constructive use of leisure time and gives me an opportunity to have a great appreciation and understanding of good music."

—Ricky Boos

These trophies represent the ten consecutive sweepstakes won by the band.

"Being a majorette is happiness, sadness, and anger, all thrown together into something nice."
SUSAN FELLER
Senior, 3 Years

"Being a twirler takes a lot of effort, but it pays off in the end."
KAREN FIELDER
Junior, 2 Years

"Being a majorette was a challenge, but the reward was worth it."
MARILEE LOUDON
Senior, 2 Years

"With the big brassy sound of the FHS Band behind me, I felt like a million dollars."
CRISTOL NIXON
Senior, 3 Years, Head

"Being a majorette was an encouraging part of my high school life."
JANIS JOSEPH
Senior, 2 Years

"Being a majorette made me feel more a part of the school."
GWYN PHILLIPS
Junior, 1 Year

"To me, being a majorette was a dream come true."
LINDY BIERSCHWALE

"Being a majorette has improved my whole outlook on school and the best part about it is getting to march in front of the FHS Band."
GERRY FIKES

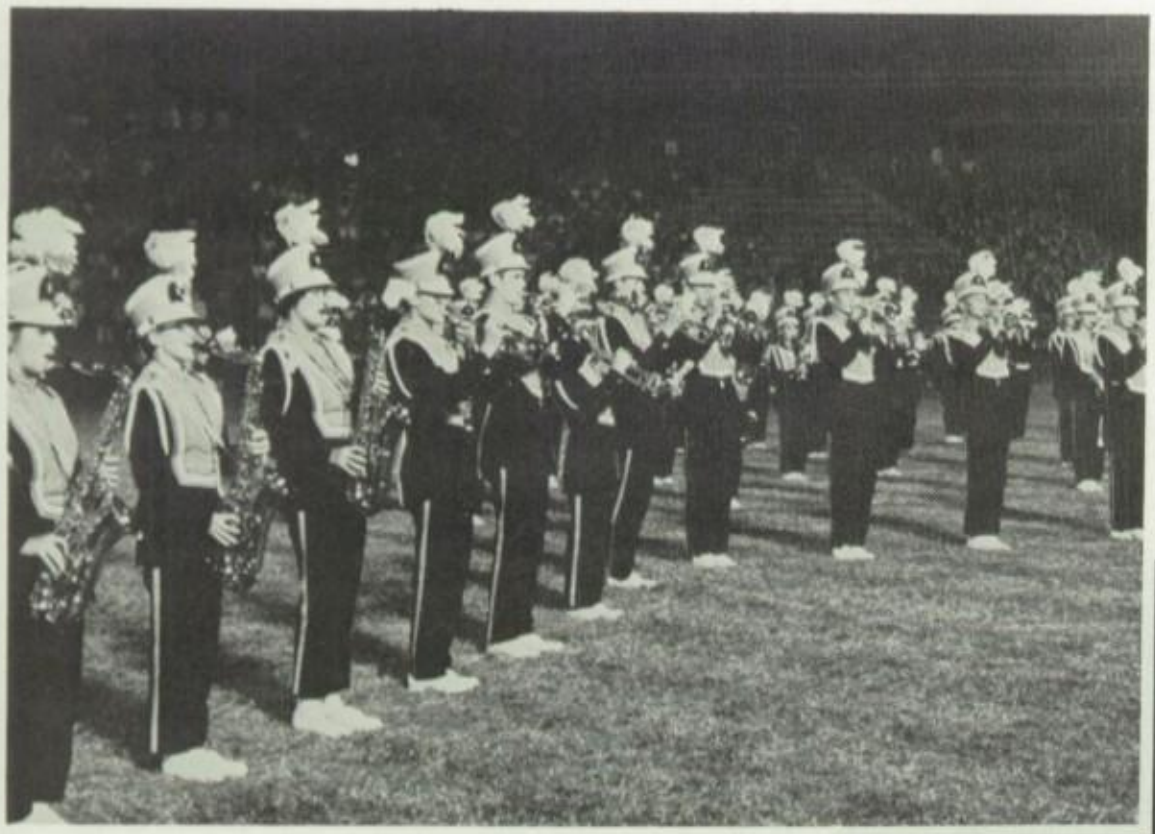
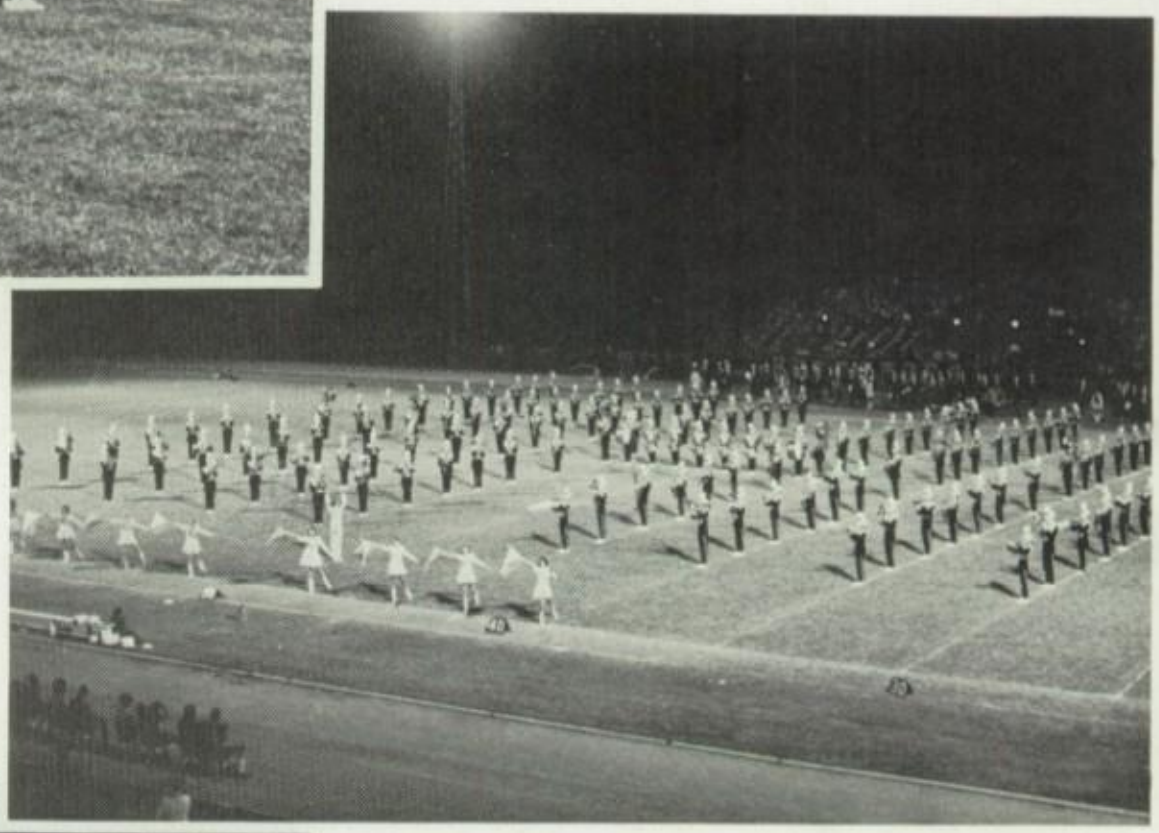
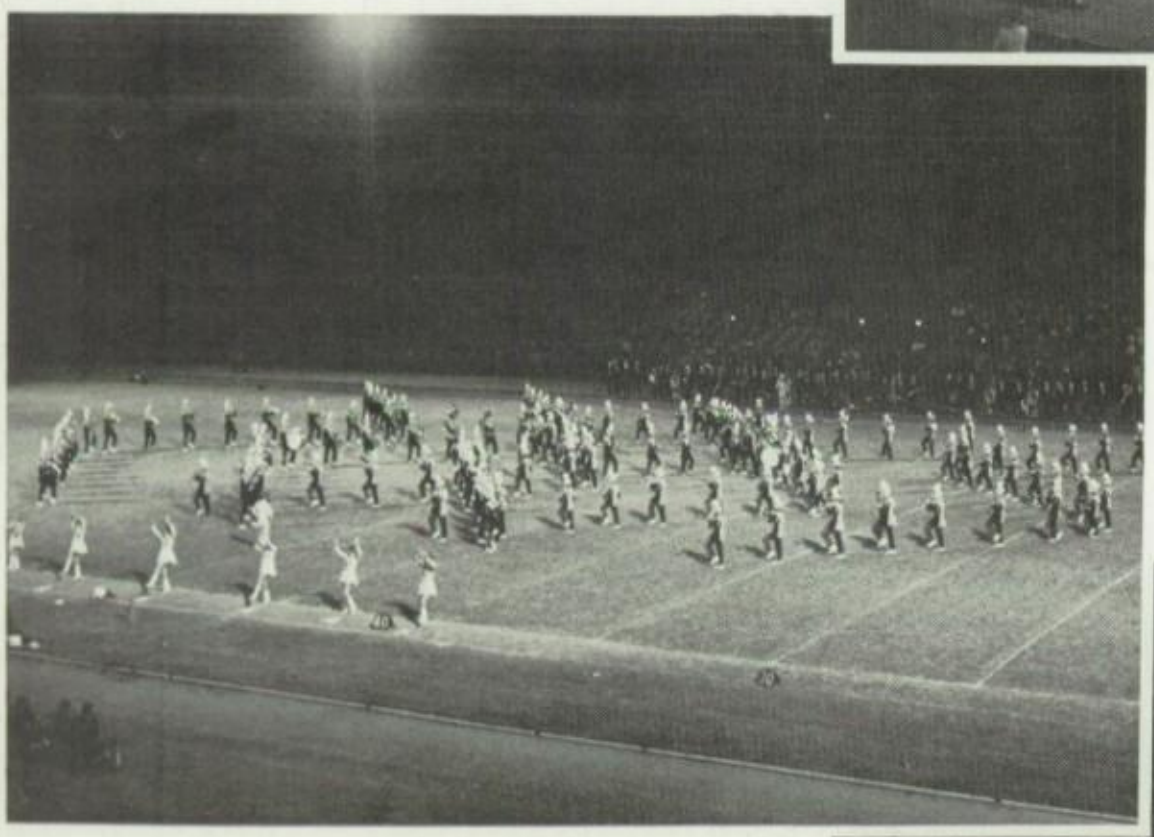
A MIGHTY FORTRESS IS OUR BAND



The Fredericksburg High School Band is a mighty fortress. Out band has unity, spirit, pride, and the little extra something to work together as a great team.



No one can single out any and say that he is the band. Our organization is composed of many fine members, but they are just that much better when combined with 149 other musicians.



As a band we stick together. We face our problems together and enjoy our triumphs together. A fortress needs a general . . . Mr. Rhodes is our general.

A fortress will surely fall if it does not have support behind it. The people of Fredericksburg are behind our band.

The thoughts on this page are reflections of Jack Stephen Bohls.

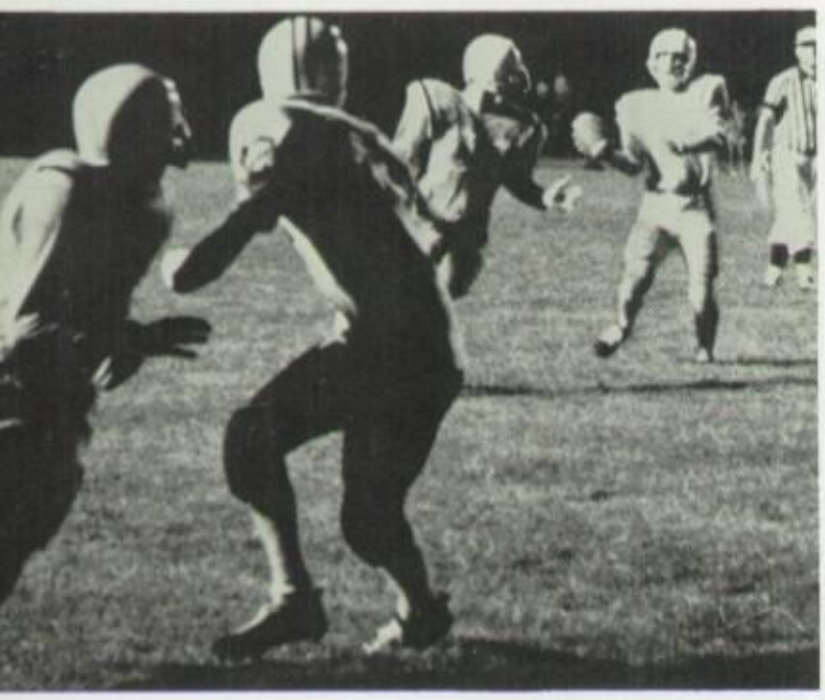
It's a bird! No! It's a plane! No! What is it?!

Does my hair look OK?

NEW BRAUNFELS

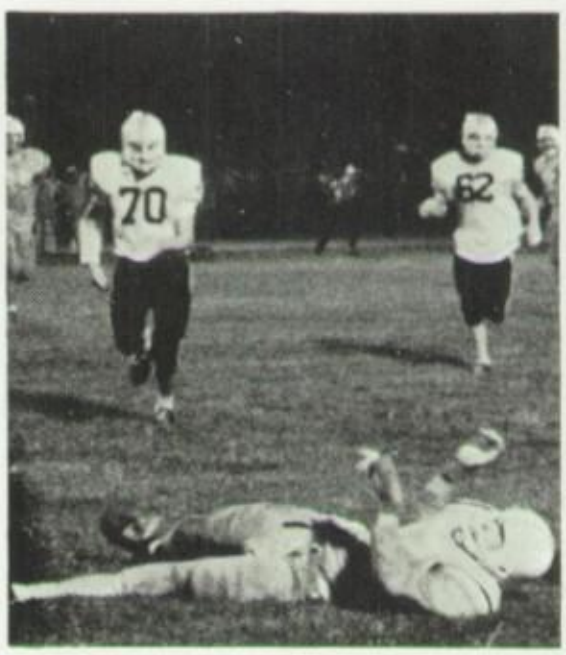
The Billies won their first game against New Braunfels' Unicorns. The score was 23-0. Durst and Neffendorf made the two long runs. Maner recovered a blocked punt and Wunderlich kicked a 23 yard field goal.



To the left! No right!

LLANO

The Billies won their second game against Llano with 35 to 6 victory. Durst's run and a pass from Brown to Friedrich made our other scores.



Look! There's the Big Dipper!

Ring around the rosy.

EAST CENTRAL

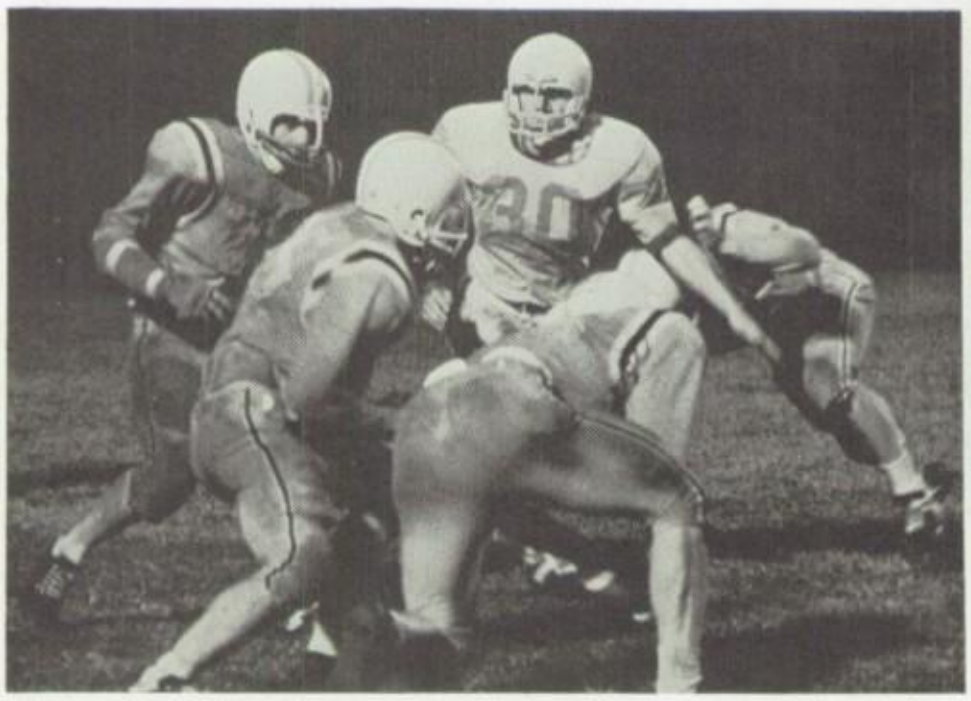
The Billies lost their first district game to East Central by a score of 13-0. The Hornets made good use of our mistakes.

Get away!

EAGLE PASS

The Billies lost their second game of the District to Eagle Pass by a score of 26 to 12. The Billies gave a good fight but could not get anything going. Royce was hurt in this game and unable to play the rest of the year.

On the count of three!



Let's go team!

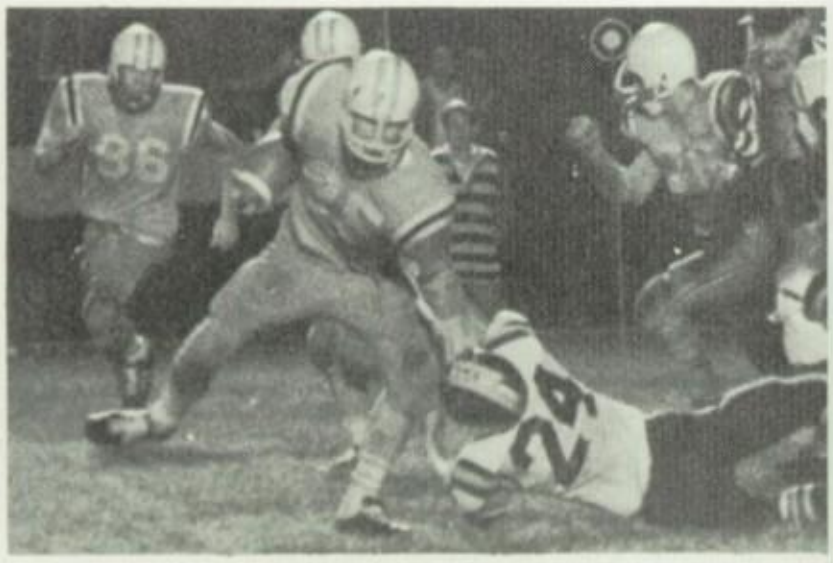
DEL RIO

The Billies won their first district game against Del Rio with a 40-0 score. Durst, Friedrich, Neffendorf, and Wunderlich all had a hand in the scoring. It was like the Billies could not do anything wrong.

How much farther?

CLEMENS

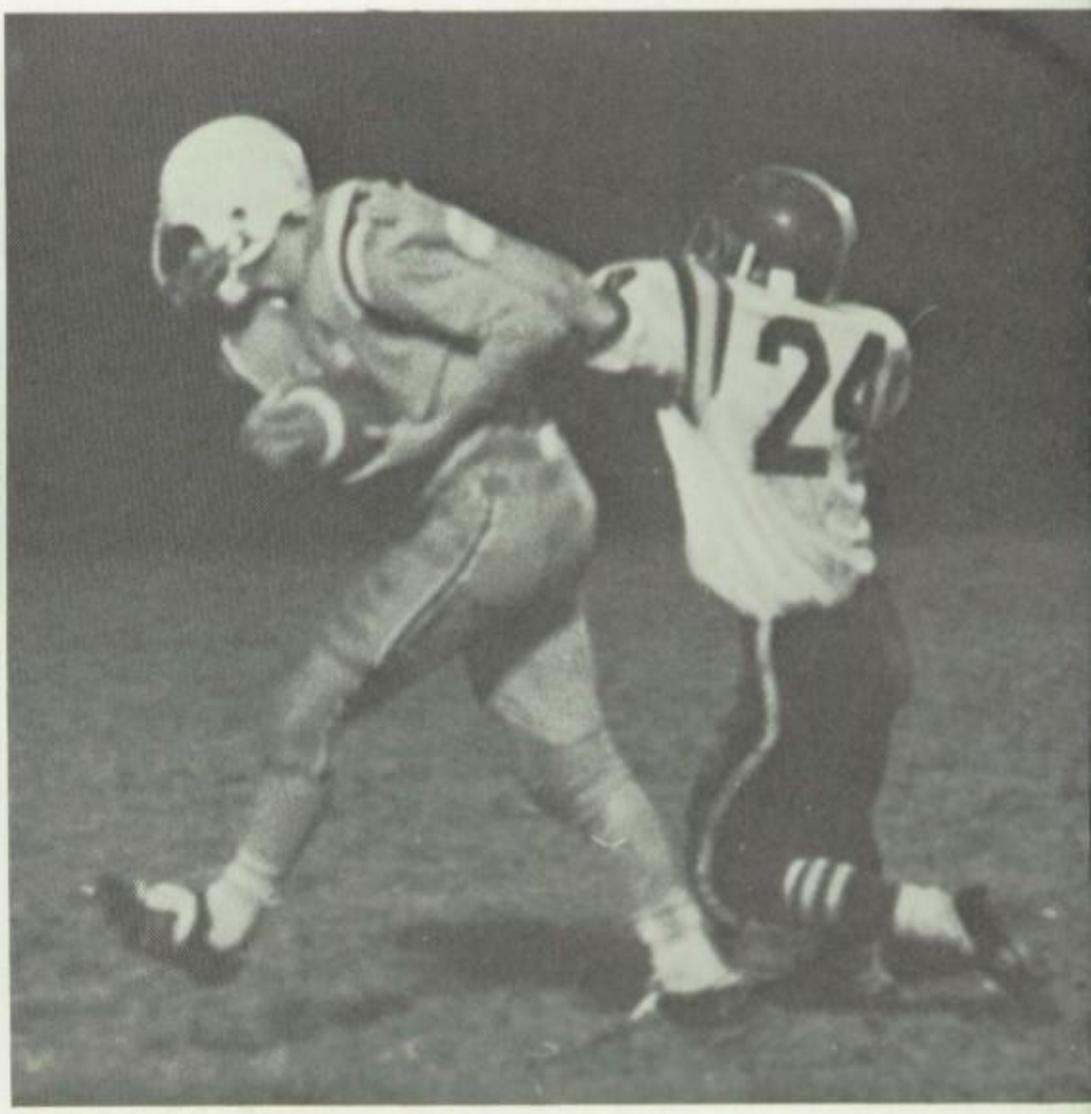
The Billies won their second victory against Samuel Clemens, with a score of 24-28. The Billies were on the road now to victory. We stood with a 2-2 record.



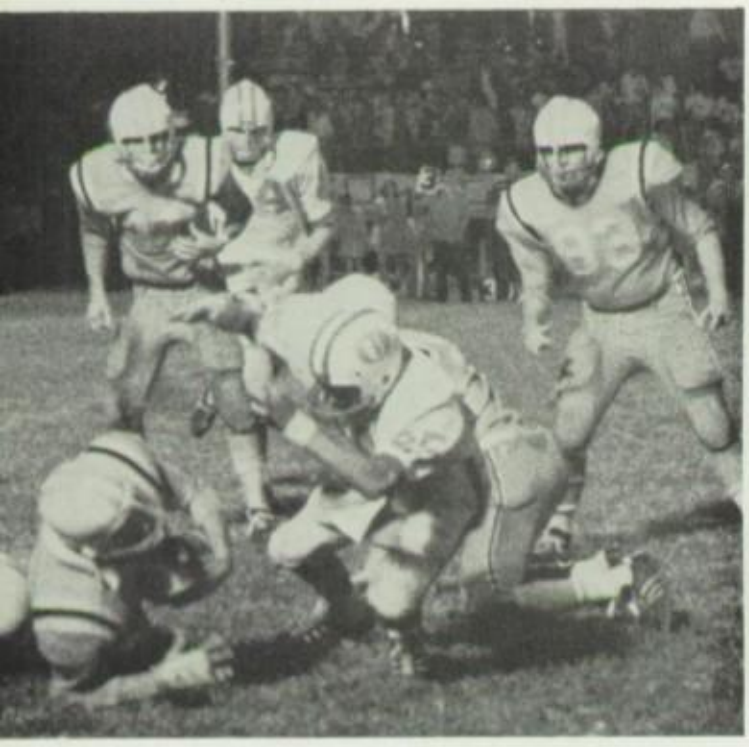
Let's Go!

CRYSTAL CITY

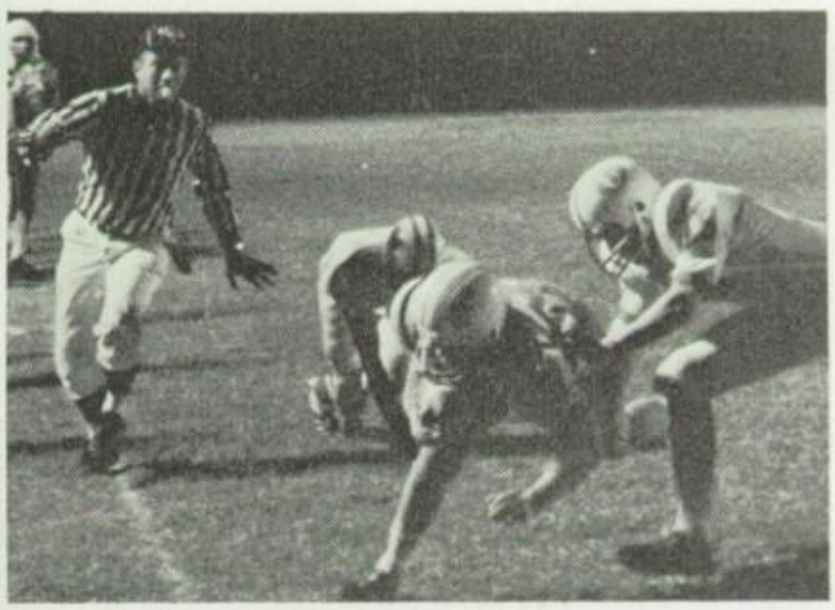
The Billies won a great game against the Crystal City Javelinas with a 33-7 victory. This kept us in the District race.



What do you want?



Barry, you think he needs some help?



Safe!

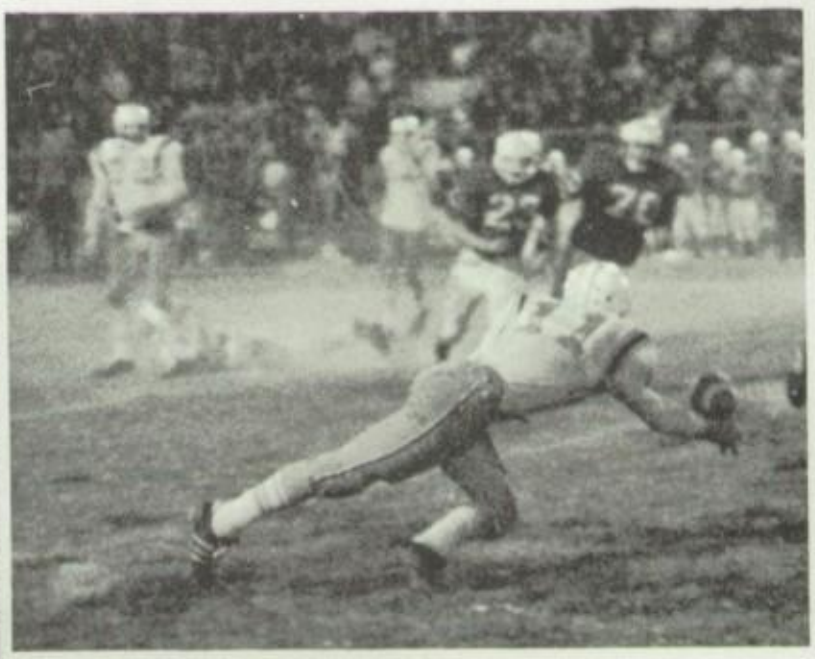
UVALDE

The Billies beat the first place team to stay in the race for District with a 29-7 victory. Barry Wagner intercepted a pass and ran 50 yards to set up a Billie T.D.

That was a tight fit

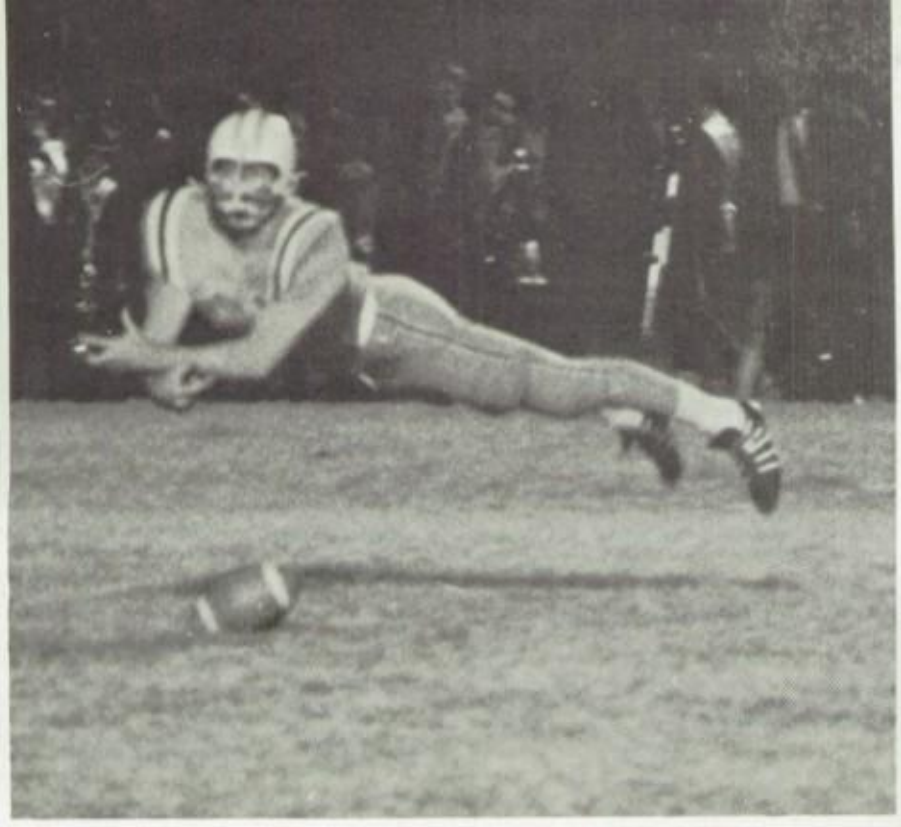
SAN FELIPE

The Billies, with 4 straight district wins, beat the San Felipe Mustangs, 34-0; after half-time, the J.V. boys saw some action. Durst, Neffendorf, and Larry Stehling scored for the Billies.



TIVY

The Billies had to win this game for the district crown, but due to many bad breaks, they lost it to Tivy, 27 to 18. They did not give up. They were still trying when the game ended. The support of the 4,500 fans that were there really helped the goats!



What am I doing?

Otto my hero.

CHRISTMAS

HOMECOMING

That's what you think, Carol.

The Beginning of the Adventure

PROM

Into the Land of Oz

Music drifting from the poppy field . . . . . .

Lent magic to the mystical night . . .

A trip through Munchkin land and then . . . . . .

Somewhere over the rainbow . . . . . .

Emerald City

THE SENIOR DAY

It's just like typing, Becky—perfect rhythm.

I dare you to say that to my face, Royce!

Do I smell smoke in that restroom?

. . . And what would you like for Christmas, Katy?

Aha! Here's a perfect example of . . . uh . . . Litter?

Maybe we should bunt, Coach. I hope you mean punt, Keith.

They'd better watch it or I'll whop them with my ugly stick.

It's very easy—just put one foot in front of the other.

I'll give you my autograph after the game, Ma'am.

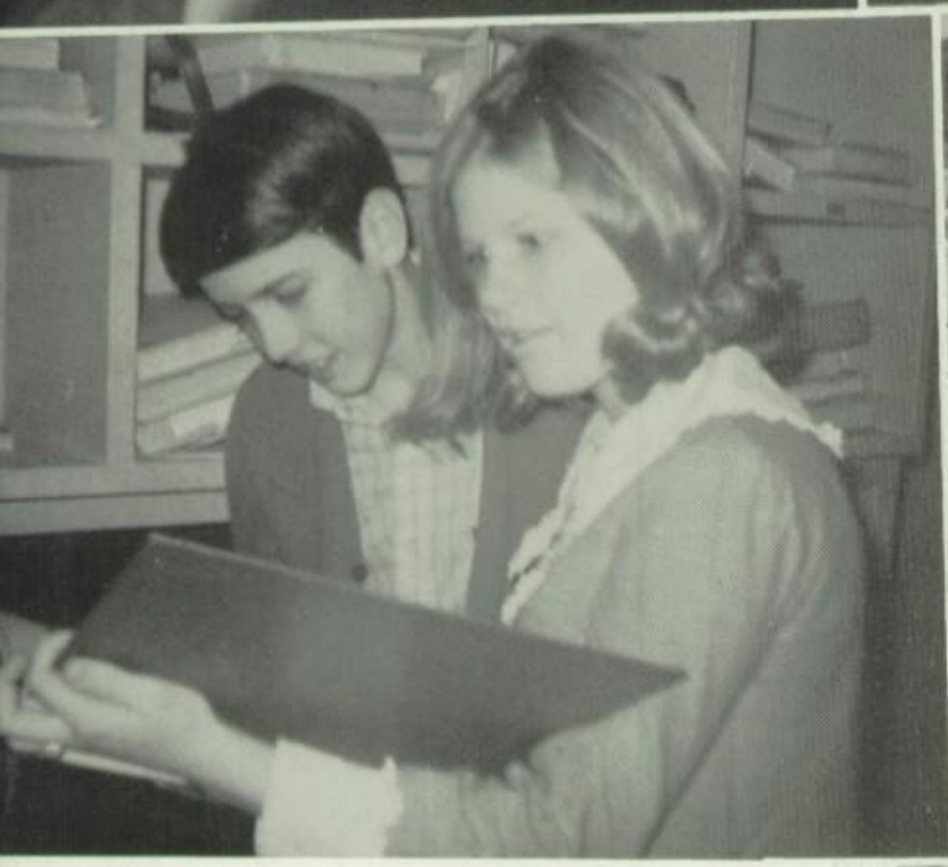
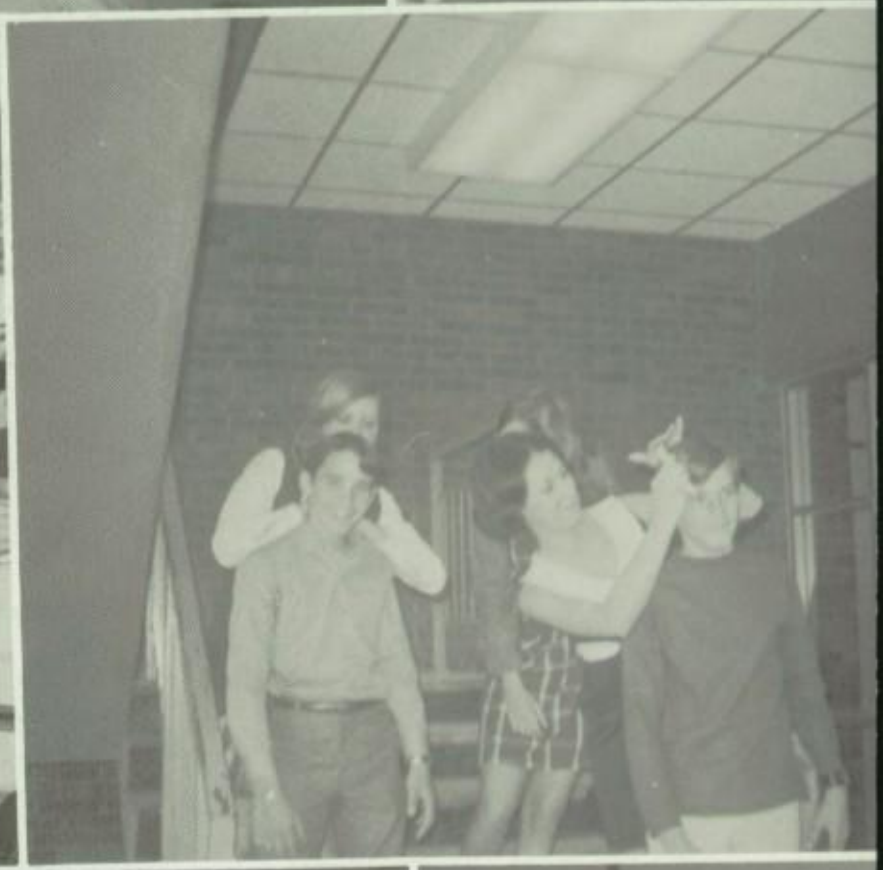
FRESHMEN + SENIORS = UNITY

The Seniors of 1969-70 have set a leading example for us, the freshmen, to follow. If we can provide a goal of unity for the freshmen of 1973 to try to reach, as this year's seniors have furnished for us, we will also be an outstanding class. Finally, we, the freshmen of 1969-70, would like to thank the whole Senior Class for helping us through our first year at FHS, and for setting such a tremendous example for us to try to follow.





Oh, to be a freshman for the rest of my life!
